THE NET- A SOUTH-EAST FACING PLOT IN LA ZAGALETA WITH PANORAMIC SEA AND MOUNTAIN VIEWS

Experience the opportunity to create a truly exceptional residence on this 7,996 m² plot in La Zagaleta, one of Marbella's most exclusive and secure private estates. Set within a renowned gated golf resort, the plot enjoys a privileged south-east orientation, allowing natural light to flow throughout the day while opening up wide, uninterrupted views.

Positioned on elevated ground, the setting offers a striking combination of panoramic sea and mountain views, blending Mediterranean horizons with the surrounding natural landscape. Privacy is a defining feature, reinforced by the scale of the plot and the discreet character of the community, while still benefiting from proximity to golf courses, shops, town amenities, and key transport links.

The plot is sold with a project and building licence in place, providing a clear and efficient path toward the construction of a bespoke luxury villa. The design is conceived to integrate seamlessly with its surroundings, offering the freedom to create a modern home that reflects both architectural quality and lifestyle comfort.

La Zagaleta is internationally recognised for its 24-hour security, controlled access, and exceptional level of privacy. Living here means enjoying peace, exclusivity, and a refined environment within one of Southern Europe's most prestigious residential enclaves.

This is a rare chance to secure a substantial plot with views, orientation, and approvals already in place, offering the perfect foundation for a custom-built luxury home in one of Marbella's most sought-after private communities.
