#### DESCRIPTION

A striking contemporary villa in an elevated position offering panoramic sea, golf valley and coastline views with refined modern living throughout

This exceptional contemporary villa is defined by bold architectural design and an elevated setting that maximises light, space and uninterrupted views. Clean modern lines are balanced with warm natural materials, creating a sophisticated home that feels both impressive and welcoming.

The main living area is designed as a seamless open-plan space where lounge, dining and kitchen zones flow naturally into one another. Floor-to-ceiling glazing opens fully to expansive terraces, creating a strong connection between interior and exterior living. An infinity pool runs along the terrace edge, visually merging with the landscape and enhancing the sense of openness and calm...
