Price from: 418.000 € Price to: 507.500 €

Celere Sunrise presents a contemporary gated development of two and three-bedroom residences, designed with modern living and comfort in mind. The homes are arranged across two sleek buildings, where upper levels enjoy sea views from spacious terraces and the ground-floor apartments benefit from generous private gardens.

Each property includes private parking and storage, with access to landscaped gardens, a residents' swimming pool, and a dedicated chill-out area that creates a sense of exclusivity and privacy within the community.

The location is one of its most compelling advantages: just a two-minute walk to Marina beach and positioned between La Cala de Mijas and Fuengirola, offering both tranquillity and convenience. Golf courses, shopping centres, supermarkets, restaurants, and a health centre are all nearby, with excellent connectivity via the A-7 Motorway. Málaga International Airport is only a 25-minute drive, making this an ideal choice for both permanent living and investment.

Celere Sunrise combines modern architecture with a prime Costa del Sol address, offering lifestyle and value in equal measure.
